### **Arriving in Blackpool:**

Public transport in Blackpool is good. The Train Station is a 3 minute drive away. Taxis with disabled facilities can be booked via Hotel Reception.

When arriving at the hotel, we ask you to unload on the opposite side of the road, this is a dedicated unloading area (assistance is available) There is no designated disabled parking area on Albert Road, however we can advise you with regard to parking.

### **Local area:**

Blackpool is well suited to disabled people, is mostly level and has disabled access points at regular intervals. Many shops are at street level and many have passenger lifts to access other floors.

If motorised scooters or wheelchairs are required, they can be hired from the shop next door to the hotel.

### **The hotel:**

Due to the construction of the hotel, all corridors are narrow with steps, so we are unable to accommodate wheelchair bound persons.

The hotel has a ramp for easy access with good hand railing.

We have a disabled toilet which is located on the ground floor.

There is a passenger lift accessing four levels, due to fire regulations and the narrow corridors wheelchairs can be left on the ground floor.

The lift has braille push buttons and assistance alarm button.

There are mains sockets available for plug in chargers on the ground floor.

Wheelchairs can be taken in the restaurant and tables made available close to the lift.

Telephones are provided in the bedrooms which have big number buttons and a call indicating light.

Assistance dogs are welcome in the hotel.
